2nd step: create an account.

3th step: Start creating a game:

4th step: Introducing data

The screenshot shows the 'Basic (Mandatory)' settings section of the Social Scavenger game builder. The interface includes a top navigation bar with 'GAME BUILDER', 'HOW TO', 'CONTACT', and 'SIGN OUT'. A blue banner at the top reads 'This is your game administration area.' The main content area has a 'Save' button in the top right. The 'Basic (Mandatory)' section contains the following fields:

- Name:** Os Malas em Sintra
- Description:** Search for places where Carlos was in Sintra, searching for his beloved one.
- Game Entry Code:** osmalas
- Primary Email:** por_elisabeterodrigues@c-guadalupe.com
- Legal:** I agree to the Social Scavenger terms of use.

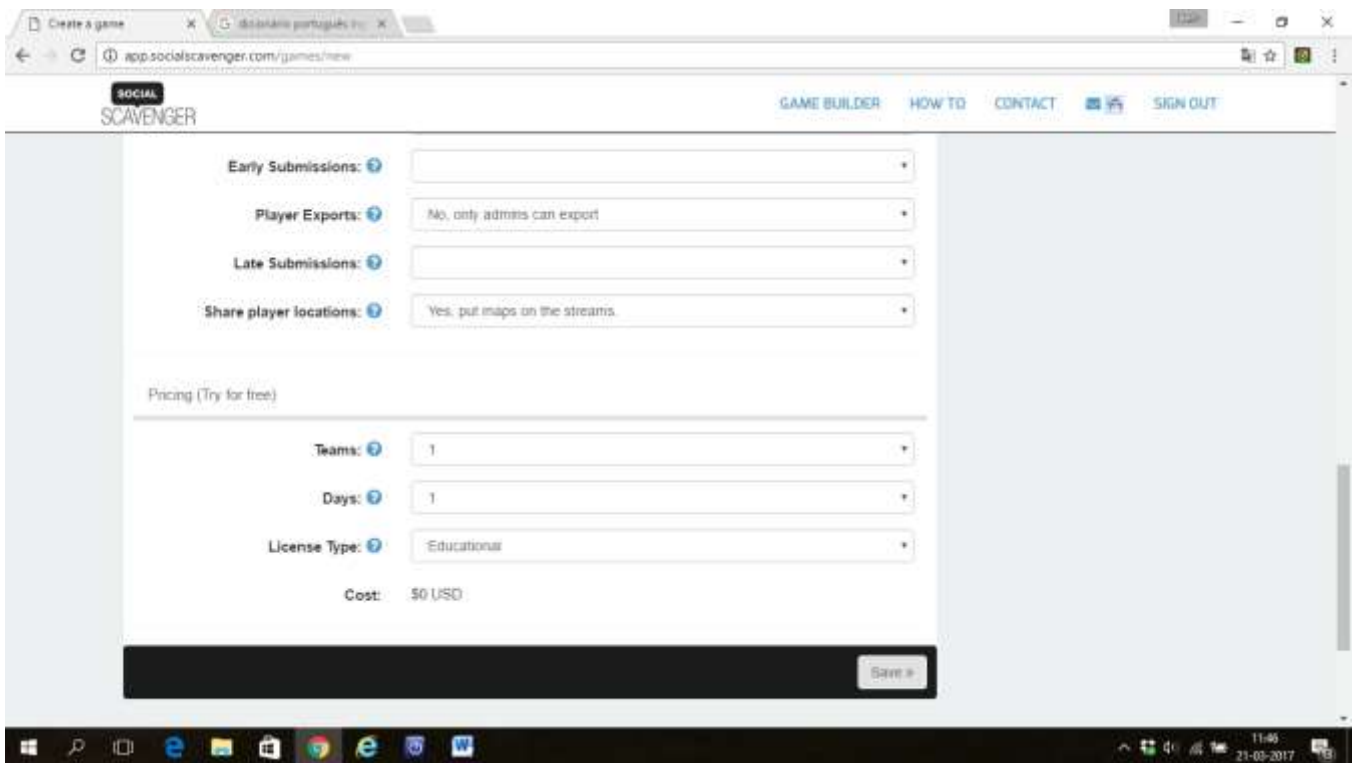

On the right side, there is a 'Game Builder' sidebar with a menu:

- Settings (selected)
- Challenges
- Teams
- Approvals
- Exports
- Combo Rewards

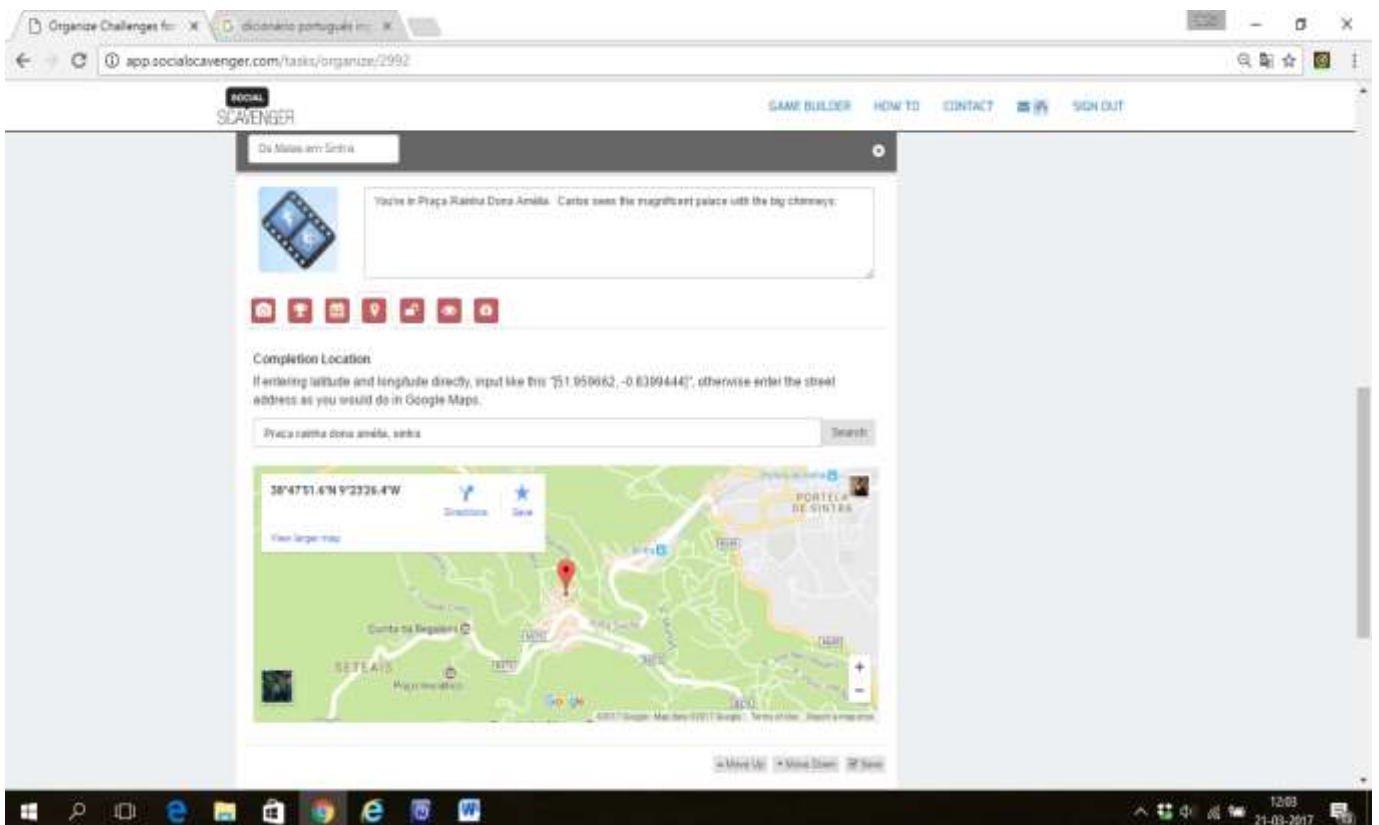

Below the menu, a note states: 'These settings apply to your game. You can change them anytime, even during the game.'

The screenshot shows the 'Advanced (Optional)' settings section of the Social Scavenger game builder. The interface is consistent with the previous screenshot. The 'Advanced (Optional)' section contains the following settings:

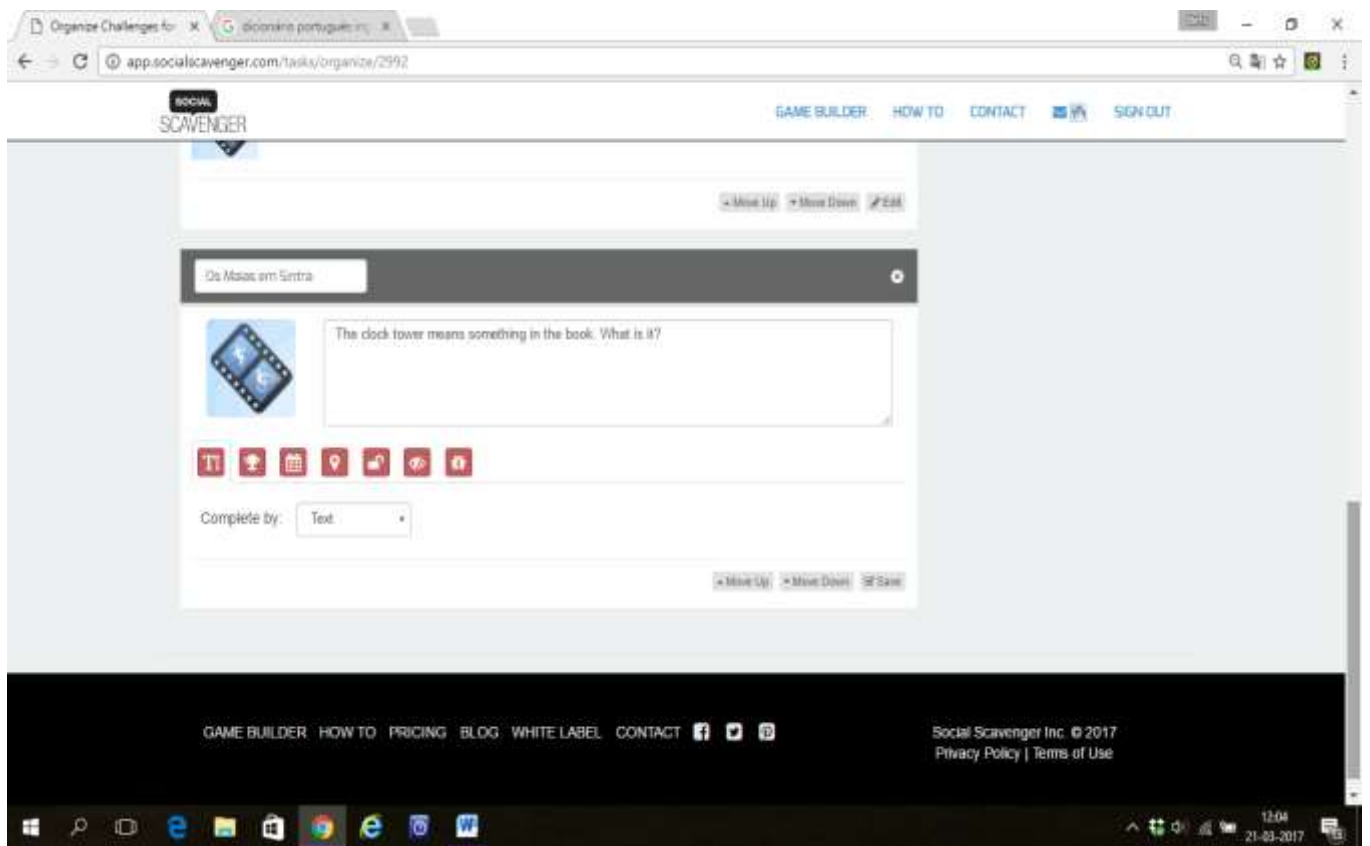

- Game Mode:** Scheduled, Start Anytime, Stopped
- Time to Complete:** One afternoon
- Search:** Standard, Hidden
- Leaderboard:** Visible, Hidden
- Category:** Template, Draft, Active, Archive
- Unlock Style:** Offline, Online
- Unlock by Completing:** None

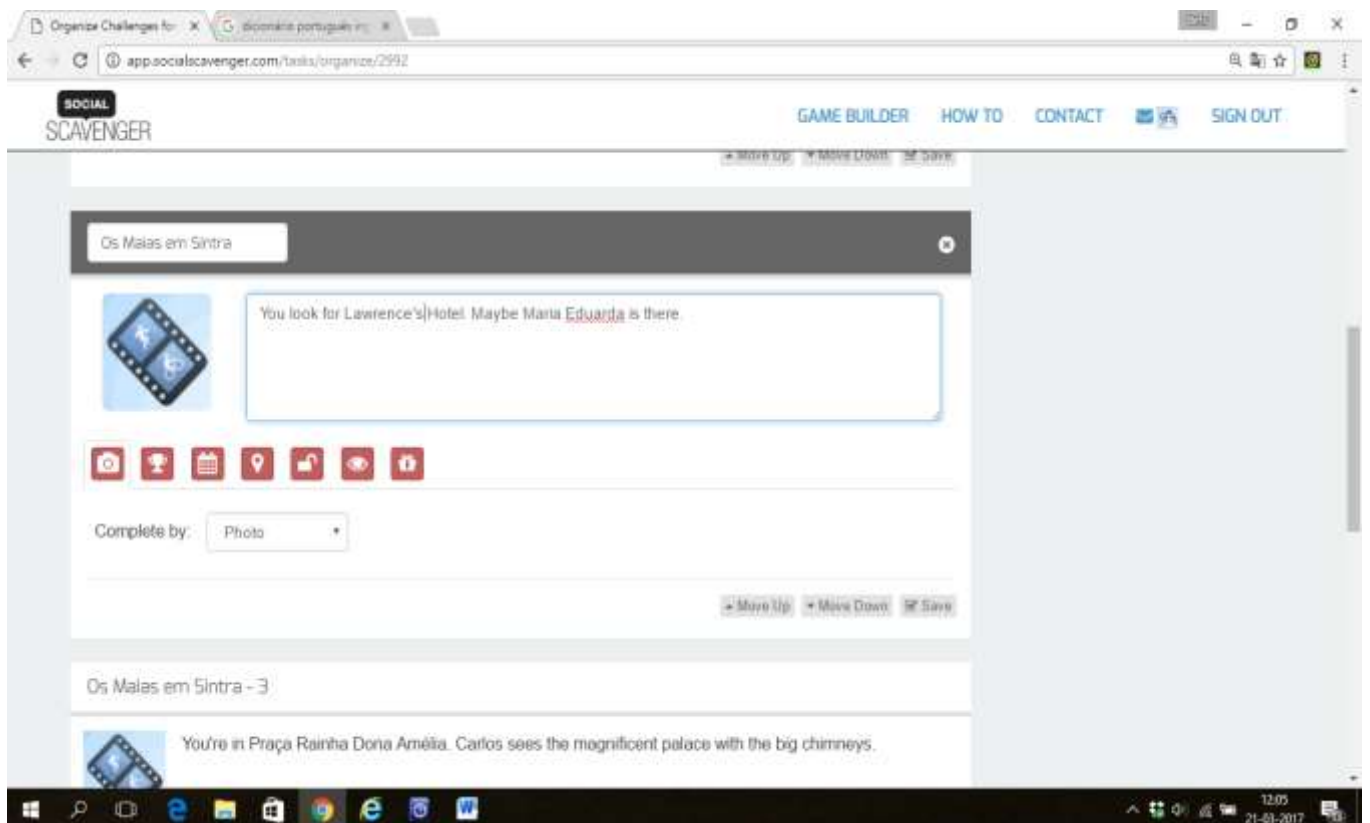

5th step: You can, now, add new challenges using different ways of accomplish the tasks.
For example:
